PRESSKIT 2024

Original stones from Bar Las Dalias, inaugurated in 1954.

# The power of love

Have you ever wondered how it is possible that a small village bar, which opened its doors in 1954, has reached its 70th anniversary as a national and international landmark of Ibiza?

The answer is as simple as it is complex: it is the power of love that has brought us here. First, the love of a couple: that of the farmer and carpenter Juan Marí Juan and the young Francisca Juan Juan, who not only laid the foundations of Bar Las Dalias but also founded a family that, to this day, remains the soul and pillar of the market. Then, the love for the island from the large Las Dalias family, made up of artisans and market vendors, as well as the restoration and administration team. Their passion and love for everything they do preserve the spirit of Ibiza in the heart of Sant Carles.

## 70 years of tradition, culture, and encounters

Las Dalias opened its doors as a road bar in 1954. Today, it embodies the creativity of the other Ibiza, the 'shopping' foreign to the big brands, The ode to traditional gastronomy and a strong commitment to music in all its meanings, forms and registers.

In 2019 we celebrated our 65th anniversary, which is why various actions were carried out, such as the renovation of the mythical road bar, becoming Las Dalias Café, or the artistic project led by the international urban artists "Boa Mistura" responsible for dressing the facades of Las Dalias with Life and Love.

In 2020, our market celebrated its 35th anniversary, and in 2021, a first phase of improvement and remodeling began, in which the party room was transformed into AKASHA | Las Dalias Club. In 2024, the second phase took place, transforming the old restaurant into PaloSanto.

# Our classic market

## HIPPIE MARKET

**Las Dalias Hippie Market** was born in 1985 with five stalls. In 2024 we celebrated our 39th anniversary, more hippies than never before. Today, its charming dresses, handmade accessories and unique objects from the five continents are exhibited in more than 250 stalls.

Open all year long, it is visited by thousands of tourists from all over the world, who identify with the natural and relaxed Ibiza.

## THE NIGHT MARKET

The **Las Dalias Night Market** began its journey in 2005. The large influx of visitors on Saturdays and the enormous demand for stalls from artisans and young talents fostered the growth and a nighttime extension of the market.

The night market is a more relaxed version of the classic Saturday market. It is made up of more than a hundred stalls, many of them exclusive to these nights, whose selection is carried out with strict criteria of quality and originality.

It is held on Mondays, Tuesdays and Sundays from June to September.

## EASTER & CHRISTMAS MARKET

The **Easter** market anticipates the trends and novelties that will arrive in summer. Coinciding with the vacations, the market is held during the 4 holidays.

Also at **Christmas**, Ibiza residents and visitors can enjoy the Christmas atmosphere of the Las Dalias market. Open Saturdays and Sundays from 1 to 29 December 2024.

## ON THE ROAD

Las Dalias **"On The Road"** is the travelling version of the hippie market, which has taken the caravan of stalls, color and image of Ibiza to Amsterdam and Madrid, among other European capitals.

# Gastronomic spaces

## RESTAURANTE & FOOD

Few places in Ibiza can boast a gastronomic offer as varied and with as many spaces as that proposed by Las Dalias. An offer that this season has experienced a real renewal of the menu based on a style of sustainable and healthy cuisine, where local and fresh produce is the main ingredient, especially in the **Restaurant** and **Café**.

The concept on which this renovation is based is that of a direct cuisine, with fish, vegetables and seasonal fruits. Dishes that flee from complications and give prominence to a very well selected raw material, which connects directly with the taste of the traditional, the Ibizan countryside, the land and the Mediterranean.

We invite you to lose yourself in the magic of Las Dalias during the market days to discover the different gastronomic spots hidden among the stalls and the garden. Enjoy a wide variety of natural juices or let yourself be surprised by the flavours of our **homemade pizzas**.

You can also tempt yourself with the flavours of the Orient in our **"Tajin & Tea"** tent or indulge yourself with a Mexican treat at the **"Tacos, Tequila and Mezcal"** bar.

If you are more of a street food lover, we look forward to welcoming you to our **Street Food Truck**. And there's more...

## PALOSANTO

Additionally, you must visit PaloSanto, whose essence lies in its commitment to culinary excellence, where each ingredient is carefully selected to ensure the freshness and quality that distinguishes true haute cuisine.

From the first bite, a universe of tangy, spicy, and smoky flavors opens up, paying homage to the rich culinary heritage of Mexico. With a bold proposal that revives traditional and root cuisine, PaloSanto positions itself as a beacon of modern Mexican cuisine, taking diners on an exciting sensory journey where classics are reinvented with a range of ancestral flavors and techniques that highlight the quality and freshness of the products.

LIVE & NIGHTS

# Live music, key in Las Dalias nights

Las Dalias has carried out numerous cultural initiatives, especially concerts with great international artists. In the 80's names like UB40, Stan Webb or Nina Hagen passed through our house. More recent artists such as Manu Chao, Macaco, Chambao, Orishas or SFDK have also left their musical mark on our stages.

**Namaste** continues to be the party that has defined the spirit of Las Dalias for more than 25 years. Every Wednesday in summer we open the door to all our senses through music, meeting friends, dance, laughter and shared embrace in a true ceremony of colour, love and peace.

In addition, there is no shortage of live music nights in the garden and Sunday events where the most avant-garde electronic sessions merge with sounds of Africa or organic house.
